RESPONSE "B"

The present amendment responds within two months to the Final Office Action mailed July 23, 2004 and an Advisory Action is requested. Claims 1-8 and 11-14 are pending in the present application. Applicant is traversing the claim rejections without amending the claims. Please reconsider the identified patent application in view of the following remarks. Applicant also request that this response be entered in order to place the application in a better condition for allowance or appeal. Applicant believes that no new matter has been added by this response.
